Owns the full sales cycle, from AI-driven prospecting and product demos through negotiation and close, maintaining a 30% close rate while bringing an entrepreneurial, founder's mindset to assigned territories.

Professional Experience

Gallery Carts | Director of Key Accounts | January 2024 - Present

- **Team Revenue Growth:** Scaled annual revenue for my team from \$5M in quota attainment to a projected \$12M in 2026 by building a high-velocity enterprise sales pipeline across new and emerging verticals.
- **New Vertical Expansion:** Led go-to-market entry into autonomous retail and specialty food & beverage locations, closing contracts with convenience-style and campus retail operators directly.
- **Product Demos & Deal Execution:** Conducted tailored demos and closed contracts from \$50K to \$1M+, navigating complex multi-stakeholder buying groups and translating platform capabilities into clear business value.
- **Public Sector Sales:** Managed full RFP process for K-12 and higher education accounts, aligning to institutional budget cycles and procurement requirements; achieved \$2M+ in awarded contracts.
- **Performance:** Average Contract Value (ACV) of \$120K (growing YoY) | 30% close rate on \$36M pipeline vs. 22% company average | 105% quota attainment | 15% reduction in team sales cycle
- **Outbound & Territory Strategy:** Generated \$5M+ in new prospects via AI-driven prospecting, targeting accounts by geography, budget cycles, and site-specific infrastructure needs
- **Leadership & Collaboration:** Mentored Account Executives on pipeline development and deal positioning; partnered cross-functionally to ensure seamless post-sale delivery

Gallery Carts | Account Executive | March 2020 - January 2024

- **New Vertical Penetration:** Achieved 400% revenue growth (\$1M to \$4M) by prospecting and closing net-new accounts in the **K-12 and university campus** segments, navigating institutional procurement processes and multi-stakeholder approval cycles in a previously untapped market
- **Account Expansion:** Grew strategic account revenue from \$300K to \$2.5M through consultative selling, solution design, and relationship management across multiple stakeholders.

- Territory Management: Managed a defined geographic territory with regular field travel, building local market relationships and developing a pipeline of net-new accounts from initial outreach through signed contract
- Quota Attainment & Relationship Management: Consistently attained 100-130% of quota over 4 years while leading complex negotiations with C-suite and VP-level stakeholders, maintaining trusted advisor relationships that drove long-term growth
